

A Caring Community, Where Students Excel

8/14/2020

DVA Eagles:

Arizona schools have been directed by the Governor and AZ Department of Education to provide free on-site support services, for students who need them, beginning on Monday, August 17th. We wanted to make sure that all of our Eagles received this information, which was originally sent on 8/10/2020.

- DVA is offering a safe space (The Nest), for those students who are unable to work at home. Eagles will be provided a secure, supervised environment to complete class assignments. The safe space is NOT teacher led instruction. Students will log in to their class Zoom meetings and assignments with their classroom teacher throughout the day. Breaks and a time for lunch will be provided. Students may either purchase a prepackaged lunch (price based on completed lunch eligibility form) or may bring their own lunch from home. Students will need to bring their own snacks and a refillable water bottle on a daily basis.
- The Nest will be open during regular school hours; 7:45AM-2:50PM on full days and 7:45AM-12:15PM on early release days. Eagles are required to wear a face covering and are expected to wear their DVA uniforms when on campus.
- All students attending The Nest will arrive and be dropped off through our Car Rider Pro queue in the back of the school and will be directed by a staff member to their designated learning space. Gates will be open from 7:40-7:55AM for drop off and 2:40-3:00PM for pick up on regular days and 12:05-12:25 on early release days. There will be no access or student drop off in the front, the school office, or the walker gate during the designated drop off/pick up times.
- While the original sign up is now closed, please contact the office if you would like to reserve a spot in The Nest for your child/children or if you have any further questions.
